Groomed athletic practice fields

Fully stocked weight & training room

The OOAB Corporate Sponsorship Committee has put together a group of benefit packages that allow local businesses to advertise their products and services directly to the families in the community. The following pages outline a robust set of marketing benefits that include advertising/marketing representation throughout the entire Orange High School and Middle Schools athletic fields of play. In addition, further exposure will be received when the Orange athletic facilities are used for major special events such as tournaments, assemblies, etc.

As a 501 c 3 non-profit organization (tax id#26-1149997), the OOAB represents a unique opportunity for corporate partners to directly support kids in the community while reaching the upscale families in the Olentangy School District.
